FARMINGTON

Taken by Death

Jerome Hall, aged 4 years, and one of the best known residents of Marion county, died at his home here Monday morning at about six o'clock from asthma. Mr. Hall had been in poor health for some time and at times it would seem that he could not live, but he would rally from these spells and be able to go about town and seemed real well. Several days before his death he complained of not feeling well, but he was not thought to be dangerously sick. He was born in Harrison county, but spent the most of his life in and near Farmington. He lived in Ohio for a few years. By occupation he was a farmer and butcher and he owned the first meat market in Farmington. He is survived by his wife, Mrs. Laura Hall and by the following children: a former marriage: Clarence, Will, and Walter of Niles, Ohio; Mrs. W. B. Cooper and Mrs. George Wadsworth of this place. Also several grandchildren and four great grandchildren.

The funeral was held from the M. E. church yesterday afternoon at 2 o'clock and burial was made in the I. O. O. F. cemetery by Undertaker R. L. Cunningham.

Girls Win From West Monongah.

The local high school girls added another scalp to their belt Monday night, when they played the West Monongah high girls here. The game was a one sided affair resulting in a score of 17 to 3 in favor of Farmington.

Girls Win County Championship.

Tuesday night the girls' team of the local high school won a hard played basketball game from the Fairview high school girls at the Fairview gym. The first half ended with the score 1 to 1. The second half they started the steam roller going and won the game 11 to 4. The score would have been larger but for the fact that the local foul shooters were away off. Winning the game gave the Farmington team the county championship. They have won from Mannington 15 to 6, Fairview 11 to 4 and West Monongah 17 to 3. Monongah defeated Riverview the only other girls team in the county, so therefore the locals are champs.

Tuesday night's game was full of action and Fairview fans say it was as good a game as ever played on the Fairview floor. The local lineup through the entire game was: Osborne and Dunmore, forwards; Hartzell center; Capt. Hess and Rothlisberger, guards.

The boys team also went to Fairview to play basketball but didn't do it. While they were on the floor gazing at the scenery and leading color to the situation, Fairview high's young college team won the game by a fifty point margin. The score would have no doubt been much larger but for the fact that the scorers ran out of chalk and Fairview had to let up on their scoring so as not to deceive the people. As basketball players, the local team looked Tuesday night like a busted brick. Kerr and Hagerty were the only local players that tried to play a hard game.
